

TRICARE[®] Young Adult Program

TRICARE extends health care coverage to eligible young adults

The TRICARE Young Adult (TYA) program is a premium-based health care plan available for purchase by qualified dependents. TYA offers TRICARE Prime and TRICARE Standard coverage worldwide. TYA includes medical and pharmacy benefits, but excludes dental coverage.

WHO IS ELIGIBLE?

If you are an adult-age dependent, your sponsor's status determines whether you are eligible for TYA Prime and/or TYA Standard. Please see the chart on page 2 for eligibility information. **Note:** Special eligibility conditions may exist.

You may generally purchase TYA coverage if you are all of the following:

- A dependent of a TRICARE-eligible uniformed service sponsor
- Unmarried
- At least age 21 (*or age 23 if previously enrolled in a full-time course of study at an approved institution of higher learning and if the sponsor provided at least 50 percent of the financial support*), but have not yet reached age 26

You may **not** purchase TYA coverage if you are:

- Eligible to enroll in an employer-sponsored health plan as defined in TYA regulations
- Otherwise eligible for TRICARE program coverage
- Married

PURCHASING TRICARE YOUNG ADULT

TYA offers open enrollment, so if you qualify, you may purchase coverage at any time. The *TRICARE Young Adult Application* (DD Form 2947) is available at www.tricare.mil/tya. When applying, you must verify that you are not married and not eligible to enroll in an employer-sponsored health plan.

Note: If you are not already in the Defense Enrollment Eligibility Reporting System (DEERS), your sponsor must

add you to the system before starting the application process. For information on adding family members to DEERS, visit www.tricare.mil/deers.

Once you complete and sign the application, submit it with the initial premium payment to the regional contractor by fax, mail, or in person at a local TRICARE Service Center.

Your completed application must include the first two months of premium payments paid by personal check, cashier's check, money order, or credit/debit card. After the initial payment, premiums must be paid in advance by monthly automated electronic payment.

ENROLLMENT IN TRICARE YOUNG ADULT

After enrolling in TYA, you and your sponsor will need to visit a uniformed services identification (ID) card-issuing facility to obtain an ID card for you. To locate an ID card-issuing facility near you, visit www.dmdc.mil/rsi. You must take two forms of ID—one must be an unexpired government-issued ID card with a picture. If your sponsor is not available to accompany you to an ID card-issuing facility, call the Defense Manpower Data Center (DMDC) Support Office to find out what forms of documentation are required to obtain an ID card. Contact DMDC at **1-800-538-9522**.

If you enroll in TYA Standard, your coverage will begin the first day of the next month after your enrollment application is processed and payment is received. If you enroll in TYA Prime, your coverage will follow the 20th-of-the-month rule: As long as your enrollment application is received by the 20th of the month, coverage can begin on the first day of the next month. If it is received after the 20th of the month, it will start the first day of the month after next.

Note: You may be eligible for the Continued Health Care Benefit Program after TYA coverage ends, unless you have been locked out of TYA coverage. Please see www.tricare.mil/chcbp for more information.

*This fact sheet is **not** all-inclusive. For additional information, please visit www.tricare.mil.*

COVERED SERVICES

The TYA benefit includes TRICARE Prime and TRICARE Standard. TYA coverage includes medical and pharmacy benefits, but excludes dental coverage. TYA Prime enrollees have TRICARE Prime access to care through their assigned military or civilian primary care managers. All TYA enrollees are eligible for care at military treatment facilities, but TYA Standard enrollees have access only on a space-available basis. TYA is only available for individuals and is not offered as a family plan. For more information on covered services, visit www.tricare.mil/coveredservices.

Note: Expectant mothers enrolled in a TYA program option receive maternity care for the duration of their pregnancy. However, the child will not be covered by TRICARE, unless the newborn's father is a sponsor, or the newborn is adopted by a sponsor.

TRICARE YOUNG ADULT COSTS AND FEES

The 2012 monthly premium for TYA Prime coverage is \$201, and the TYA Standard monthly premium is \$176. For 2013, the TYA Prime monthly premium is \$176, and the TYA Standard monthly premium is \$152. TYA premiums are adjusted annually,

effective January 1. Ongoing premiums must be paid in advance by automated electronic payment. Premiums are not credited to deductibles or catastrophic caps.

TYA Prime has the same copayments as TRICARE Prime and TOP Prime. TYA Standard has the same cost-shares as TRICARE Standard and TRICARE Extra in the United States and TOP Standard overseas. Copayments and cost-shares are credited to your family's catastrophic cap. For TYA Standard, TYA cost-shares contribute to individual and family deductibles, which vary based on your sponsor's category.

For more information on costs, visit www.tricare.mil/costs.

ENDING TRICARE YOUNG ADULT COVERAGE

Choosing to End Coverage

You may choose to end TYA coverage at any time by completing the fields related to terminating coverage on the *TRICARE Young Adult Application* (DD Form 2947) and submitting it to your regional contractor. If you decide to end TYA coverage, you will be locked out from purchasing TYA coverage for one year from the date of termination. There will be no lockout if the coverage is terminated because you gain access to an employer-sponsored health plan or you regain TRICARE coverage.

Nonpayment

Your premium payment is due no later than the last day of the month for the next month's coverage. Failure to pay total premium amounts due and any insufficient funds fees owed will result in a termination of coverage. A 12-month TYA purchase lockout will go into effect.

Change in Status

Your sponsor must always report all family and status changes to DEERS.

Your TYA coverage ends when any of the following occurs:

- You reach age 26
- You get married
- You become eligible for an employer-sponsored health plan under your own employment as defined in TYA regulations
- You gain other TRICARE coverage
- You lose eligibility because your sponsor ends TRICARE coverage

CHANGING TRICARE YOUNG ADULT OPTIONS

Changing Options within the Same Region

If you are currently enrolled in a TYA plan, you can switch your enrollment to a different qualified TYA plan by submitting a new *TRICARE Young Adult Application* (DD Form 2947) to your regional contractor. If you are switching plans within the same region and your regional contractor will not change, your contractor will simply adjust future premium payments by applying any overages to future premium payments, and adjusting the automated electronic payments so you are not over- or undercharged for the coverage requested.

Changing Options and Changing Regions

If you want to change your plan option and you are also transferring to a new region, you must submit a new *TRICARE Young Adult Application* to your new regional contractor. You can only transfer your coverage to a new region if you are current in your monthly premium payments. After you submit your application, your coverage will be transferred within 10 calendar days. Your future automated electronic payments will be adjusted accordingly.
