I request that provide any/all of these records in electronic format if possible. I specifically request that you include so-called "non-responsive" material per the Court of Appeals for the District of Columbia Circuit in American Immigration Lawyers Association v. As a representative of the news media I am only required to pay for the direct cost of duplication after the first 100 pages. Please ignore the "willing amount" and notify me by email prior to your incurring any expenses in excess of \$.01. Specifically I am requesting any unclassified information about an incident (b)(3), (b)(6), (b)(7)(C) to have witnessed which involves the 1/3 using children to bring them unexploded ordinance, and one such incident in either December, January or February 2010 in which several Afghan children were killed delivering ordinance to members of the 1/3 including (b)(3), (b)(6), (b)(7)(C). As an alternative, a verification that this incident never happened. I am further seeking any releasable records of disciplinary proceedings against (b)(3), (b)(6), (b)(7)(C) including court-martial charges and periods of confinement, and records of administrative separation proceedings from November 2009 through 2010.
